EDUCATION

BE, Computer Science and Engineering   **2022 – 2026**
Chaitanya Bharathi Institute Of Technology   CGPA : 9.48/ 10

INTERNSHIP EXPERIENCE

Front End Developer , *MotionCut Co.*   🔗   **10/2023 – 11/2023 | Remote**
- Designed, developed, and maintained dynamic web applications using **modern technologies**.
- Ensured cross-browser **compatibility** and **responsiveness** of applications.
- Collaborated with teams to identify and **report bugs**, and contributed to the overall quality assurance process.

Junior Developer , *Bharat Intern.*   🔗   **09/2023 – 10/2023 | Virtual**
- Adapted to and implemented industry-standard coding practices, enhancing code maintainability and reducing technical debt by **30%**; facilitated smoother team collaboration and accelerated project completion by **15%**.
- **Deployed** and maintained activities under supervision.

PROJECTS

ASKG , FullStack   *https://github.com/AbhiramChikatla/ASKG.git*   **2024**
- Engineered the backend using **Node.js** and **Express.js** to create a robust server-side environment.
- Employed **MongoDB** as the database solution, offering flexible and **schema-less** data storage for enhanced scalability and adaptability.
- Crafted a dynamic and **responsive** frontend using **React.js**, providing users with an engaging and interactive browsing experience.

PASSOP, FullStack   *https://github.com/AbhiramChikatla/PassWordManager.git*   **2024**
- Designed and developed the frontend using **React.js**, focusing on a clean and intuitive user experience.
- Implemented robust encryption mechanisms using **bcrypt.js** to ensure passwords are stored securely.
- Implemented backend services with **Express.js** to manage user data .

DIMENSIONS, Front-end   *https://github.com/AbhiramChikatla/Dimensions.git*   **2023**
- Developed a professional and visually appealing consultancy website using **HTML**, **CSS**, and **JavaScript**.
- Designed **responsive layouts** and implemented CSS media queries to ensure optimal viewing experiences across various devices and screen sizes.

SKILLS

- **Languages** :Python, SQL, Java,HTML5, CSS3, JavaScript.
- **Tools** : Git, GitHub, Figma, Canva, Postman.
- **Web Development** : **M**ongoDB, **E**xpress.JS, **R**eact.JS, **N**ode.JS, TailwindCSS, BootStrap.

ACHIEVEMENTS

- Earned MongoDB Certified **Associate Developer** credential, enhancing database management skills and contributing to a **20%** increase in query performance and a **15%** reduction in data retrieval times.   🔗
- Developed more than **10** Front end Projects in Web Dev Carrier.
- Earned the **runner**-up spot in a coding competition held within the college.
